Neolux Dual Shades

Neolux® Dual Shades is a contemporary, trendy window covering solution that has grown fast in recent years. The Neolux® collection by NomiStar Inc. includes 20 different patterns with a wide range of colors to choose from. This fabric collection features natural looking motifs, decorative, plain, full bodied, texturized and vinyl fabrics. Six Dim Out fabrics are also available.

This embellishing collection is specially suited for Dual Shade applications, providing you with an extraordinarily efficient light management system, which filters and softens daylight while at the same time offering a wider control function of your privacy.
